LED FLUSH STEP LIGHT 12V

Engineered with the durability to withstand the elements, Hinkley LED Flush Step Lighting features a sleek, low-profile design that seamlessly blends into outdoor structures. A solid brass, louvered face plate features a Matte Bronze or Satin Black finish that complements masonry or wood constructions. Integrated low-voltage LEDs behind an etched glass lens cast bright yet comfortable light, adding safety to steps and atmosphere to exterior spaces. Named after the ruggedly beautiful island off the coast of British Columbia, our Hardy Island Collection is impeccably constructed with solid cast brass to defy the harshest environments.

DETAILS	
FINISH:	Matte Bronze
MATERIAL:	Brass
