DESCRIPTION

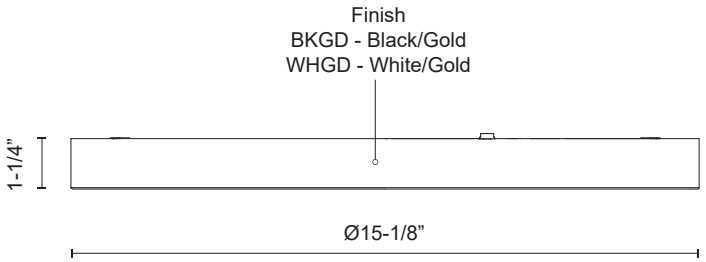

The Nix Flush Mount Lighting Collection combines a sleek, ultra-slim profile with a touch of decorative elegance, making it the perfect choice for modern interiors. Available in mixed metal finishes: Black with Gold or White with Gold. Nix adds a refined accent while remaining versatile enough for kitchens, hallways, bedrooms, and more. Built with integrated LED technology for energy efficiency and long-lasting performance, each fixture also includes a 5-color temperature selectable switch (2700K–5000K), giving you the freedom to choose between warm, ambient light or bright, functional illumination. With its slim silhouette and stylish details, Nix offers a seamless blend of performance and design sophistication.
