DESCRIPTION

Effortlessly refined and endlessly versatile, the Drift Collection embodies modern simplicity with a sense of calm sophistication. A sleek, wide bar of illumination floats gracefully in any space, offering the perfect balance of form and function. Whether suspended above a kitchen island, dining table, or in a hospitality setting, Drift's clean lines and soft, even glow create a serene atmosphere that enhances any design. Available in a range of stunning finishes and featuring adjustable color temperature from 2700K to 5000K, Drift lets you tailor the light to your perfect mood.

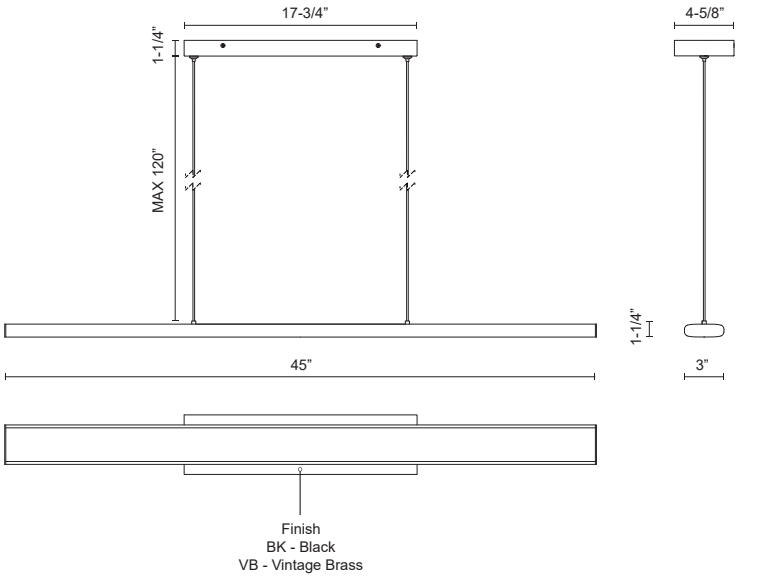

• Modern Linear Pendant Design: The Drift Collection combines clean lines and contemporary elegance—perfect for kitchen islands, dining rooms, offices, and hospitality spaces.

• Adjustable White LED Light: Features 5 selectable color temperatures (2700K–5000K), allowing you to customize the warmth or brightness of your space during installation.

• Wide Bar of Even Illumination: Engineered for balanced ambient and task lighting, Drift provides a soft, glare-free glow ideal for both residential and commercial applications.

• Premium Finishes and Build: Available in a selection of stunning finishes to complement any décor, from modern minimalism to warm transitional interiors.

• Energy-Efficient & Long-Lasting: Integrated LED technology ensures high performance, low maintenance, and lasting beauty for years of consistent, energy-saving illumination.
