DESCRIPTION

From the world of Paul Cocksedge Studio, Void is defined by the space it creates. Two sculpted hemispheres part to reveal light suspended between form and absence. Meticulously engineered and quietly dramatic, Void transforms metal into atmosphere, casting precise shadows and luminous depth. A statement of restraint, balance, and enduring design.

- Designed by Paul Cocksedge Studio - Created by the world-renowned design studio celebrated for sculptural, award-winning lighting and objects.
- Integrated LED Illumination - Precision-engineered LED technology delivers refined, even light with no bulbs required.
- Luxury Finish Options - Offered in multiple premium finishes to seamlessly complement both modern and timeless interiors.
- Statement Lighting for Any Space - Perfect for kitchens, dining rooms, living areas, and sophisticated commercial or hospitality settings.
