DESCRIPTION

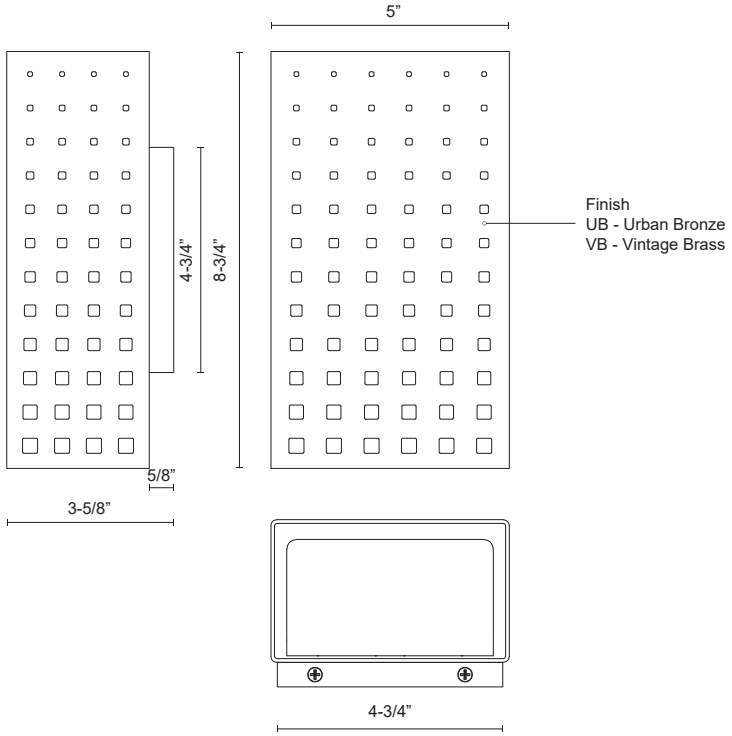

Designed by Peyton Fox, the Astoria Collection balances clean geometry with warm, ambient light. Each fixture features opal glass diffusers paired with brass plated punched metal detailing, creating a harmonious mix of sculptural metal and soft glow. Ideal for both residential and commercial interiors, Astoria works beautifully in repeatable applications such as hallways, kitchens, or grouped sconces. Small yet striking, this collection brings subtle sophistication and statement-making design to any space, offering flush mounts, semi-flush mounts, and wall sconces that elevate modern and transitional interiors.

- Wall sconce by Peyton Fox with opal glass diffuser and brass plated punched metal detailing
- Small yet striking design works perfectly in powder rooms, hallways, bedrooms, or commercial spaces
- Ideal for grouping to create a repeatable lighting scheme
- Combines sculptural metalwork with a soft ambient glow for modern sophistication
- Adds depth, texture, and understated elegance to residential and hospitality interiors
