

balto linear

DESCRIPTION

The Balto linear suspension by LBL Lighting exudes light from all angles through its interweaving lines. Sleek lines are suspended by distinctive cables forming a triangular shape producing a contemporary geometric silhouette. This fully dimmable integrated LED emits a high lumen output at 3000K while an acrylic lenses diffuser provides softly diffused light onto surfaces below for a glare-free lighting experience. The Balto linear suspension is available in two on-trend finish options, Satin Gold and Gun Metal, both colors further enhance its contemporary style. Scaling at 33.9" in length and 35.86" in width the Baltor is ideal for dining room lighting, foyer lighting and conference room lighting. Includes 10' of field-cuttable cable. LED includes (1) 45w watt 2456 delivered lumens 90 CRI 3000K LED module. Dimmable with a low-voltage electronic dimmer. 120v or 277v.
